

Kinsley Academy

PE and Sports Premium Funding
Intention of Spending 2017-18

Rationale

Kinsley Academy recognises that all pupils regardless of their background should have equal access to a curriculum which will enable them to reach their potential. The sports funding premium is a Government initiative that targets extra money to all pupils and all schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

The Government are not dictating how schools should spend this money, but are clear that schools will need to employ the strategies that they know will support these pupils to increase their active participation in sports.

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs
- run sport competitions
- run sports activities with other schools

Sports Funding Allocation 2017-2018 (Financial Year)

The amount of funding allocated per school is £16,000, plus an additional £10 per pupil. (199 Pupils)

Allocation for Kinsley Academy £17,990

Intention of Spending 2017-18	Approximate cost	Proposed Outcomes	Impact
Sports Co-ordination of Inter School Competitions across the schools in the Pyramid.	£500	Increased participation in inter school competitions
